### Job-Beschreibung

#### Level up!

Nintendo aims to deliver unique, intuitive entertainment experiences for everyone, manufacturing and marketing video game devices such as the Nintendo Switch™ family of systems, developing and operating applications for smart devices, and collaborating with partners on a range of other entertainment initiatives like visual content and theme parks.

At Nintendo, we bring together employees with a wide range of characteristics and work together towards a common goal – to put smiles on the faces of people all over the world.

#### Tasks

Games-Career.com ist ein Angebot von:

Quinke Networks GmbH  
Bei den Mühlen 70  
D-20457 Hamburg

- Overseeing and administrating the company's rewards and benefits systems/programs on a European level
- Determining together with HR Management a compensation strategy in order to gain employee satisfaction and secure retention
- Responsible for job architecture by using a common used methodology
- Conducting salary and labour market research to define benchmarks in order to ensure fair, equitable and competitive total rewards
