Job-Beschreibung

You are a passionate player of video games? You love to identify patterns in data, draft recommendations and are eager to see them put to action? As a **Working Student** in the **Game Analytics** team, you will be part of our mission to strategically improve and shape our game portfolio by utilizing data from millions of players. The Game Analytics team is part of the Analytics department at InnoGames, which combines data enthusiasts from different backgrounds with one vision: we provide the whole data story of our games to enable the best data-driven decisions. With your passion, curiosity as well as analytical and communication skills, you help us on our journey towards this vision. Apply now! ☐

Your mission

- **Monitor and analyze data** to evaluate game performance: E.g., Dive deep into user behavior to extract exciting and actionable findings.
- **Create and communicate** reports and analyses: E.g., Make your insights transparent through emails to the whole company and help steer our roadmaps in the right direction.
- **Consult with stakeholders** in revenue planning processes: E.g., Align strategic goals with current developments to maintain a realistic view of revenue performance for management and product managers.

Your skill set

- **Enrolled at University.** You are currently enrolled in a study program with courses in (business) economics, mathematics, empirical research or statistics.
- **Business tools.** Knowledge of crunching data with Microsoft Excel.

- **Analytical mindset.** You enjoy processing data and are focused on details.
- **Gaming affinity.** You have a passion for games and different business models.
- **Presentation skills.** Creation of clear and precise presentations with highlighted main messages.
- **Proactivity.** Dedication and ability to work independently and with a practical approach.
- **English first.** You look forward to using your excellent English language skills and strong interpersonal communication skills on a daily basis.

Your power-ups

- **Flexible working hours.** We offer trust-based working hours as well as active breaks - play table tennis with your team, work out in our gym or go to our rooftop terrace to get some fresh air.
- **Hybrid Working Model.** We offer our colleagues the flexibility to choose between working from home and our modern offices in central Hamburg. With regular times planned together at the office during our [Office Days](#), we keep up our unique InnoGames spirit!
- **Solution orientation.** We are offering an atmosphere to empower creative thinking and strong results.
- **Creative processes.** Feel comfortable in an atmosphere that empowers creative thinking and strong results
- **Dynamic people.** Work in an agile multicultural team – enabling you and your team to form and actively optimize work processes
- **English first.** Our company language is English, and we support all our employees and their partners with optional German lessons
- **Team events.** Participate in regular team events (e.g., wine tasting, cooking, paintball), barbecue together on our rooftop terrace, and enjoy regular company-get-togethers.
- **Food & drinks.** We offer free drinks and fresh fruit to contribute to your health and well-being; enjoy the meals delivered by our in-house canteen or cook on your own in one of our employee kitchens.

InnoGames is one of the leading German developers of mobile and browser games and a certified Great Place to Work®. The climate-neutral company based in Hamburg was founded in 2007 and is now part of the Modern Times Group (MTG). Together with 350+ employees from over 40 nations, the company founders develop unique games that provide years of fun for millions of players around the world. InnoGames is best known for Forge of Empires, Elvenar and Tribal Wars, but the company is continually expanding its now 10-game portfolio across platforms and genres. The most recent additions were Rise of Cultures and Sunrise Village, which were launched in early 2022. Excited to start your journey with InnoGames and join our team as a Working Student? We look forward to receiving your application as well as your salary expectations and earliest possible start date through our online application form. Sandra Wandschneider would be happy to answer any questions you may have.
