Job-Beschreibung

Level up!

Nintendo aims to deliver unique, intuitive entertainment experiences for everyone, manufacturing and marketing video game devices such as the Nintendo Switch™ family of systems, developing and operating applications for smart devices, and collaborating with partners on a range of other entertainment initiatives like visual content and theme parks.

At Nintendo, we bring together employees with a wide range of characteristics and work together towards a common goal – to put smiles on the faces of people all over the world.

Tasks

Games-Career.com ist ein Angebot von:

Quinke Networks GmbH
Bei den Mühlen 70
D-20457 Hamburg

- Maintaining SAP roles and authorisations in the SAP systems
- User-based analyses and management of SAP authorisations
- Coordinating external service partners for support in SAP roles and authorisation management
- Consulting business departments in SAP roles and authorisation-related topics
- Maintenance, optimization and technical integration of the SAP roles and authorisation concept
- Continuous improvement of the SAP roles and authorisation concepts by considering actual compliance regulations
- Close cooperation with other IT teams on IT security, IT controls and general controls

Requirements

- Degree in IT/business informatics or related field or several years of equivalent professional experience
- Experience in the area of roles and authorisations management in the area of SAP ERP (additional systems would be a plus)
- Strong analytical and conceptual thinking
- Good knowledge of Microsoft office applications (in particular Excel)
- Willingness to continuously improve knowledge in the area of SAP roles and authorisations
- Very good communication and presentation skills
- Very good written and spoken English (German would be a plus)
- Experience in Governance, Risk and Compliance tools for SAP would be a plus
