Job-Beschreibung

Level up!

Nintendo aims to deliver unique, intuitive entertainment experiences for everyone, manufacturing and marketing video game devices such as the Nintendo Switch™ family of systems, developing and operating applications for smart devices, and collaborating with partners on a range of other entertainment initiatives like visual content and theme parks.

At Nintendo, we bring together employees with a wide range of characteristics and work together towards a common goal – to put smiles on the faces of people all over the world.

Tasks

Games-Career.com ist ein Angebot von:

Quinke Networks GmbH
Bei den Mühlen 70
D-20457 Hamburg

- Coordinating content releases on Nintendo's digital platforms
- Reviewing and processing data entry for digital content releases in the Nintendo Content Management System (and other Nintendo systems)
- Communication with publishers and developers regarding their digital content releases
- Coordinating release process related communication and tasks within the organisation

Requirements

- Education or graduate degree in Business Administration or several years of working experience in respective area
- Experience in managing digital content and content release systems
- Experience with and understanding of digital shop environments
- Excellent written and spoken English and German language skills, additional European languages would be a plus
- Good understanding of the video games business and digital products
- Organizational strength, attention to detail as well as proactive and solution-oriented way of working
- Communication, cooperation and customer orientation are key competencies
- Capable of managing various tasks simultaneously
