□

Your mission

- You prepare promotions, events and sales with the support of us
- You help the game teams to meet the needs of our players□
- You communicate actively with the relevant departments on issues such as tasks, concepts and feedback iterations
- You support us in our search for new opportunities by evaluating new games and providing feedback

□

Your skills

- You have knowledge about basic design processes and game functionalities□
- You have an understanding of game-related trends and the market for online games
- You are passionate about online games
- You're open, communicative, and enjoy engaging with others
- You enjoy working in a team environment and are keen to learn more through practice

□

Your Gameforge setting

- An international company awaits you! English is our company language, as employees from over 35 nations are part of our team
- The future's hybrid! Together with your manager and team, you can arrange how you split your time working from home or at the office
- Where colleagues become friends! Regular team events and an open company culture
- We put our complete trust in you! Through freedom to choose things like flexible assignment of working hours and personal responsibility for your own work

□
