Job description

Level up!

Nintendo aims to deliver unique, intuitive entertainment experiences for everyone, manufacturing and marketing video game devices such as the Nintendo Switch™ family of systems, developing and operating applications for smart devices, and collaborating with partners on a range of other entertainment initiatives like visual content and theme parks.

At Nintendo, we bring together employees with a wide range of characteristics and work together towards a common goal – to put smiles on the faces of people all over the world.

Tasks

Games-Career.com is a service provided by:

- Interpreting at video conferences or meetings in both directions between Japanese and English
- Translating a wide range of internal and external communication between Nintendo of Europe and our headquarters in Japan and other video game developers in Japan in both directions between Japanese and English

Requirements

- Relevant degree in translation and/or several years of equivalent professional experience as a translator or interpreter in a similar role
- High level of proficiency in written and spoken Japanese and English
- Excellent translation and interpreting skills
- Strong team orientation and high social competence

Are you interested? We look forward to receiving your application, including your earliest possible starting date and salary expectation.
