Job description

#TEAMYAGER

YAGER makes computer games and is based in Berlin, Germany. Founded in 1999 by 5 enthusiastic gamers, we combine long-term experience with a resilient and innovative spirit. We are passionate about creating online action games with rich worlds, focused on social emergent gameplay. Our mission is to give players unique moments they can't wait to tell their friends about.

About the Role

As a **Senior UI Artist**, you will be part of a collaborative, multidisciplinary team. We welcome individuals from diverse backgrounds and are excited to find someone who shares our passion for gaming and design. You will take part in design discussions and contribute to creating high-quality user interfaces with our co-development partners.
