Job description

Karlsruhe | full-time | from now | hybrid

We are one of the leading publishers of free-to-play-online games based in Karlsruhe, Germany.

As an internal service provider for creative and marketing-oriented solutions, we are looking for an intern* with a focus on screen design to actively support our graphics team as soon as possible.

Please enclose samples of your work to your application.

Your mission

- You support the asset production for our entire game portfolio
- You optimize existing graphic content
- You support the graphics team in day-to-day operations
- You help with the design and implementation of various marketing and monetization assets
- You manage and maintain digital assets

□

Your skills

- You are studying graphic design and layout
- You are an all-rounder with a focus on layout
- You have a good basic understanding of Adobe Photoshop and Adobe Creative Suite
- You have a basic understanding of digital painting
- You are open to feedback and willing to learn something new
- You enjoy working in a team and are keen to expand your knowledge in practice
- You like to get actively involved and support us in our day-to-day business

□

Your Gameforge setting

- An international company awaits you! English is our company language, as employees from over 25 nations are part of our team
- No kettle-oriented work experience! Hit the ground working and take responsibility from day one.
- Where colleagues become friends! Regular team events and an open company culture

□

About Gameforge

Founded in 2003, Gameforge is a leading Western publisher and operator of widely acclaimed Massively Multiplayer Online (MMO) and browser-based game titles. Gameforge builds highly active and enduring global communities by supporting players through the greatest quality LiveOps, provision of localized content, engaging community management, and frequent delivery of meaningful updates.

Gameforge's diverse portfolio of highly successful gaming brands provides different worlds with engaging experiences for players from all walks of life: core MMORPG titles like AION Classic, Runes of Magic, and Metin2, beloved anime MMOs Elsword and NosTale, strategy-focused browser games like OGame and kariam, along with indie titles such as Trigon: Space Story and Tiny Thor.
