Job description

If you believe in open communication, delivering great results as part of a team, and like to focus on Art and composition of one of our newest mobile titles, then you might be the person we are looking for!

Your mission

- **Create.** □ Conceptualize, design, and create a range of art assets mostly focusing on buildings, but also including characters, landscapes, and environments to be used in our games.
- **Contribute.** □ Deliver creative ideas to a living game.
- **Collaborate.** □ Work closely with Game Designers, other Artists, and the Team Lead Art to help devise the game's visual style and direction through concept. Collaborate with a

positive attitude within the Art Team in the creation of new concepts and designs.

- **Take action.** □As one of the main artists, you will be defining the look and feel and strongly contribute to our game's art direction and vision.
- **Explore.** □Do research and integrate visual reference into concepts.

Your skill set

- **Expertise.** You have gained professional experience (5+ years) working as a Game Artist.
- **Hands-on experience.** You have an outstanding portfolio of work demonstrating the expertise in creating environmental and architectural game assets.
- **2D & 3D tools.** You bring outstanding design and illustration skills using Adobe Photoshop or similar, and □have good knowledge of Blender or any equivalent 3D software.
- **Generative AI.** □You are interested in AI and are utilizing it to streamline the production of art assets.
- **Communication skills.** You have excellent team and communication skills and the willingness to work iteratively in a collaborative environment.
- **Passion.** You are passionate about Art applied to game - a good sense of composition, shape language, color, and lighting.
- **Creativity.** Ability to iterate, change, and develop designs based on art direction and style guides.
- **English as company language.** □You look forward to using your excellent English skills in both spoken and written form daily.

Your power-ups

- **Career opportunities.** □Level up □with excellent training and development opportunities, such as online trainings, InnoVersity and conferences.
- **Outstanding benefits.** □Get 28 vacation days, a sabbatical, mobile device, contribution to your public transport ticket, and more.
- **Flexible working hours.** □We offer □trust-based working hours as well as active breaks - □play table tennis with your team, work out in our gym or go to our rooftop terrace to get some fresh air.
- **Hybrid Working Model.** □We offer our colleagues the flexibility to choose between working from home and our modern offices in central Hamburg. With regular times planned together at the office during our □[Office Days](#), we keep up our unique InnoGames spirit!
- **Compensation & Fair Play.** We have career models as well as market-competitive salary grids in place that ensure that we treat our employees fairly. The salary for a senior-level position ranges from € 53,000 - 68,000 gross. The salary ranges for other seniority levels differ. Your seniority level (junior, regular, senior) will be evaluated during the interview process.
- **Team of specialists.** □Be part of a stable, growing, and award-winning global company. Meet your future colleagues in [Creative & Product Management](#).
- **Team events.** □Participate in regular team events (e.g., wine tasting, cooking, paintball), barbecue together on our rooftop terrace, and enjoy regular company-get-togethers.
