Description

Type of employment: Freelance
Entry date: immediately
Place of work: EU
Salary Expectation: Negotiable

Hi,

I'm a sound designer with over 5 years of experience in the audio business, be it games or TV/online/theater commercials. My portfolio: <http://www.jirikrupala.com>.

I'm looking for interesting projects that need their audio to be done in a quality way. Ideally remote work, but can negotiate in-house (within EU). Only paid jobs. □

Don't hesitate to contact me. All contacts can be found on my website at the bottom.

Have a wonderful day!
